Instructions for setting up a Steps account and registering for individual classes.

Virtual classes cost \$12. I also can offer an in-person rate of \$12 if you email me (no texting) by the Sunday night before the Monday you plan to attend—after you have set up your account and without having registered online. Then I will provide your name to the front desk when I arrive and you pay the front desk directly.

Below, please find two different methods of getting registered, along with direct links to sign up for each individual class. Since the links for individual classes (see below) may not work in all browsers, there is an option to register from the Steps website.

To register online for an In-Person or Virtual Class from the Steps Website:

1. Go to <https://www.stepsnyc.com/>.
2. Hover your mouse over "Classes" and click "Daily Schedule."
3. Click the calendar and press the date you want to attend class.
4. Find the class you want to register for.
5. Press Sign Up Now (will direct you to Steps MindBody).
6. Click "Create an Account" using email, Facebook, Google, or Apple, or "Sign Up" if you already have an account.
7. Press "Single Reservation" to register for class.
